Dear Professor Kozar,

I have the pleasant duty to inform you that the Netherlands Society for Parasitology (Nederlandse Vereniging voor Parasitologie) is founded June 2, 1961 at Leiden.

The first officers are Prof. Dr. P. H. van Thiel (Leiden), H. J. Over (Utrecht) and Dr. J. Jansen, secretary (Utrecht).

Among the first decisions of the Society are to cooperate in the International Federation of Parasitologists and to have contact with other parasitological societies.

I can say that we acknowledge the impetus given by you as the president of the Societas Parasitologorum Polona both to the International organisation and, indirectly, to the newborn Netherlands Society.

With kind regards

Yours sincerely

Dr. J. Jansen.
