Dear Dr. Rollinson,

Thank you very much for the invitation to participate in a joint meeting of the British and Belgian Society for Parasitology to be held at the Spring Meeting of the BSP at the University of Leeds, 5-8 April, 1993.

The council of our Society gratefully accepts your invitation and looks forward to a meeting as successful or even better than the previous one in Southampton.

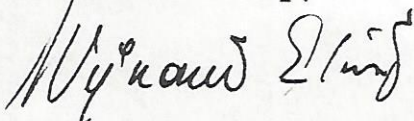

There is a Spring Meeting of our Society on April 23, and in the mailing for this meeting, I will ask the members of the Society to tell us whether they intend to take part in the joint meeting. Immediately after the meeting, I will inform you of the result.

I apologize for the delayed answer.

I wish you success with the organization of the meeting and hope to meet for the organization of the program.

With best wishes,

Yours sincerely,

Wijnand Eling
