Dear Dr. Jansen:

Dr. Kruidenier, Secretary of the American Society of Parasitologists, has been good enough to forward to me a copy of your letter to him dated June 15, 1961, concerning the establishment of the Netherlands Society for Parasitology at Leiden.

May I extend officially, in the name of the American Society of Parasitologists, the congratulations and best wishes of this group for the future success of your enterprise.

I shall take pleasure in announcing the formation of this new Society at the annual meeting of the American Society of Parasitologists in August.

Sincerely yours,

Justin M. Andrews, President
