

Dear Yves,

Today, I just returned from the Joint Meeting of the British and Dutch Societies of Immunology in Brighton, where I was invited to speak about the evasion strategies of malaria parasites, and found your fax/E-mail.

Unfortunately, Monday 11 and Tuesday 12 are impossible for me. There is a possibility for me on Monday, December 18, but I must be back in Nijmegen at 14.00 hours, or on Tuesday, December 19, in the afternoon.

Let me know your decision,

Best Regards,

Wijnand Eling

Ik hoor het wel.
